Sign in

Is this your first time using myGov? Simply select: 'Create a myGov account'

What is myGov?

myGov is a simple and secure way to access online government services.

[Create a myGov account](#) >

Have you set up myGovID? Select that option to sign in.

Using your myGovID Digital Identity

[Continue with Digital Identity](#)

Step 2: Select 'Services', then select 'Medicare'.

myGov Home **Services** Inbox Account settings [Sign out](#)

Services

Access a range of government online services by linking them to your account.

Link a service

Australian Taxation Office >

Centrelink >

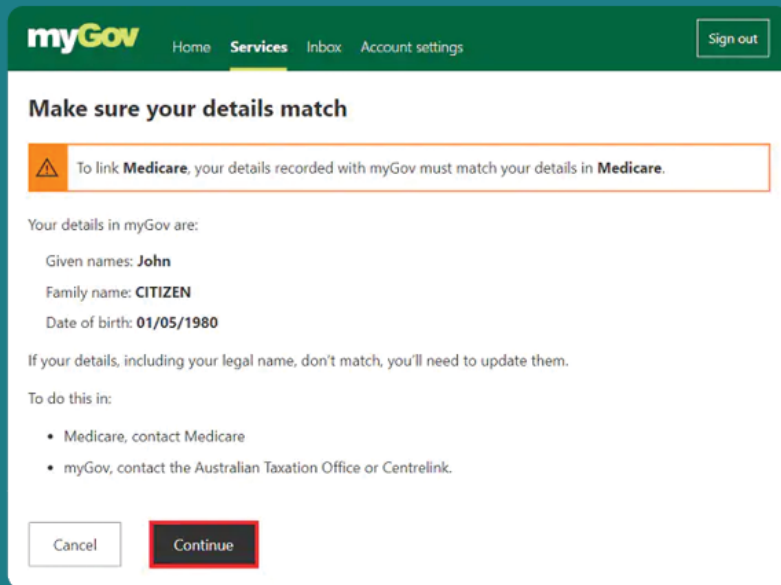

Medicare >

My Aged Care >

Note: You may be asked to agree to myGov storing your personal details. This will happen if you haven't linked either the Australian Taxation Office or Centrelink to your myGov.

Select 'I Agree' to accept myGov storing your personal details.

Step 3: Make sure your details match.

Select 'Continue'

If your name is already recorded in myGov, it needs to match your name recorded with Medicare.

If they don't match, you'll need to update your details.

If your myGov name needs updating, contact Centrelink or the ATO. If your Medicare name needs updating, call Medicare.

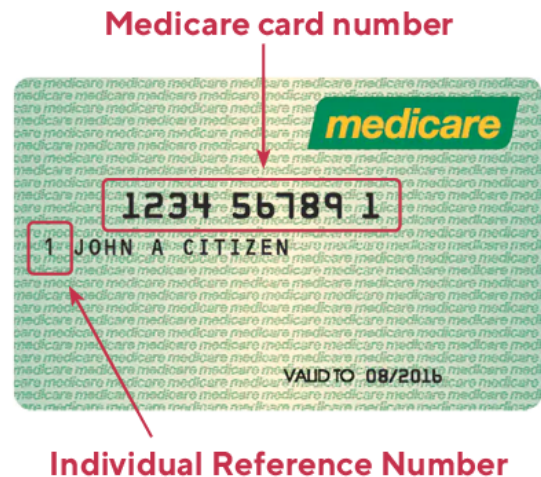

Step 4: Select 'I'm listed on a Medicare card'

Step 5: Enter your personal details.

You'll be asked to enter your:

- Medicare card number
- Individual Reference Number
- Name
- Date of birth
- Address

You'll also be asked about details given to Medicare in the past.

Step 6: Select 'Next'. Your accounts are now linked.
